To All Brittany Championship and Regional Club Secretaries

Hi, hope everyone had a great Summer. We're cooked to a crisp. We have had very good response to our earlier requests for funds for the Brittany Wing, however, it's possible that I was slightly errant in my fund raising pitch.

In discussing the plaques for larger donors, we may have inadvertently given the impression that smaller contributions were not important. That is the farthest thing from the truth. If you, as an individual or club, can contribute, it would be greatly appreciated. We are set up to keep track of all contributions, and if you send your contributions to me, we will keep a running total of all contributions and forward them to the Bird Dog Foundation, Brittany Wing, so that we can not only keep track of Brittany contributions but contributors. The Bird Dog Hall of Fame Personnel do an excellent job of keeping track of individual Breed donations and we are involved, only to keep a running tally, so that all can receive credit for their contributions. We presently have over \$89,000.00 of our goal of \$250,000.00 and our fund is growing steadily. Your past and future contributions will make this possible. We do not need to have all of our funds before construction is started, as long as we have commitments or pledges for continued support. It is most rewarding to see the number of clubs and individuals who have not only donated but pledged to keep supporting until the job is done.

Thanks to everyone who has donated and please, to those of you who have not yet jumped on board, try to fit us in to your plans.

Please call or e-mail me if you have any questions about the program or how to get started.
