To All Brittany Championships and Regional Club Secretaries

The Brittany Field Trial Hall of Fame induction ceremonies are scheduled for February 12, 2011 in Grand Junction Tennessee. Everyone is welcome to attend, and if you could possibly make it, you would enjoy the ceremony and a tour of the Museum.

We are well on our way to being able to fund our "Wing" in the new Museum. We were just notified by Rick Smith, that we have collected \$100,000.00 toward our goal of \$250,000.00. We will be able to start construction, but we will still need funds for the balance of construction and funding the Endowment Fund for ongoing expenses such as insurance, heating and air conditioning, electricity, maintenance, furnishings, and staffing.

For those Clubs who have donated and committed to ongoing support, Thank You Very Much. You are making this dream become a reality. We continue to need your support and the support of those, who we hope will be "jumping on" with us this year. If you had collected money at your Fall Trials for the BFTHOF, and have not yet sent it, or if you had funds in your Club Treasury that needed a home, this would be a great time to send your donations. We will be recognizing all of those who have made this possible.

If you have any questions about the program or you want to know how to get started, please send an e-mail or call me.
