To All Brittany Championships and Regional Club Secretaries:

## Brittany Field Trial Hall of Fame Update

Hopefully many of you were able to attend the Induction Ceremonies at the Bird Dog Museum. From all accounts it was an excellent time, recognizing worthy inductees. Congratulations to Tom Fife, Dr. Ron Harling and Scipio's Mister Chips.

Our space is going to be a fantastic show place for all of our Brittany Field Trial Hall of Fame Dogs and People. In a recent update from Jim Chase, it was reported that to date we have raised \$161,017.00. Of these funds, \$138,185.00 were used for building construction, leaving about \$23,000.00 for the Endowment Fund. There have probably been some donations since this was reported, but to finish our commitment and fund the Endowment, we need to raise about an additional \$115,000.00.

What we need from all of you is a commitment to complete the job that we have started. Please keep up the good work and continue to donate as you have in the past. For those clubs or individuals who have been watching from the sidelines, please "jump in" now. We really need your help to complete funding of our space in the Bird Dog Museum. The good thing is that we don't have to get large sums of money from just a few individuals. If we can collect \$1.00 / dog, for dogs entered in our trials, or possibly an amount that your club can donate, for each trial, we will be able to look back and be very proud of what we, as a group, have accomplished. Rick Smith has indicated that there will soon be pictures in the Brittany Magazine, showing the present status of the Museum and our space.

If you attend a Field Trial or Championship, and they are contributing to the Brittany Field Trial Hall of Fame, you are a contributor. THANKS! It is most rewarding to see the number of clubs and individuals who have not only donated but pledged to keep supporting until the job is done.

Thanks to everyone who has donated and please, to those of you who have not donated or pledged, try to fit us in to your plans. Please call or e-mail me if you have any questions about the program or how to get started.
